David Holmes was an active CADS skier from 1992-2008. David faced some difficult challenges in his life. He dealt with these challenges with courage and patience, enjoying an active life that included skiing, swimming and music. Skiing fulfilled an important need for movement and speed for David. Skiing was not easy for David, but the experience was worth it! In all of David's challenges; David and his family enjoyed skiing and his Friday evenings with the CADS community. In memory of David, a fund has been set up so that others may share the same great experience that David did!
